Explanatory Notes

1. All titles have been classified according to the Dewey-Decimal System as approved by the A.L.A., the main divisions of Non-Fiction being rearranged in alphabetical instead of numerical order.

2. Publishers and copyright dates are given immediately following the author's name. (A list of publishers with their addresses appears on page VI).

3. The braille embossing date is enclosed in brackets following the date of copyright.

4. Initials enclosed in parentheses following the type of printing indicate by whom the first edition was paid for or the plates loaned. (See page IX for explanation of abbreviations).

5. The grade of braille of each title has been indicated in the margin (see footnote at bottom of each page). This has been done to facilitate the compilation of lists of books in any grade of braille. If not otherwise indicated, all pages are the regulation 11" x 11" size.

6. Reading grades for each title are indicated by Roman numerals for Grades I-X, or as Adult.

7. A list of the braille periodicals printed at the Printing House may be found on page 59.

8. A detailed description of available tangible apparatus is printed on pages 60-61.

9. A complete Author Index may be found on page 62.

10. A comprehensive Subject Index is contained on pages III-IV.

11. Many obsolete titles have been dropped from the catalog. **This does not mean that the metal plates have been destroyed.** All braille plates will be retained for several years, and special editions may be arranged when there is sufficient demand to justify a reprinting of any discarded title.

12. **A complete Catalog of Braille Music is published under separate cover.**

13. **Books may neither be borrowed nor exchanged.**

14. No shipping charges are included in the prices listed in this catalog. When payment accompanies order, always include postage. Any differences between the postage sent and the amount actually used will be refunded in stamps, or a bill will be sent for further remittance.

15. **Be sure to indicate whether shipment is to be made by express, freight or parcel post.**

16. **No funds of the American Printing House for the Blind are used to emboss religious literature.**
